

Questions for your #AE22 Assembly candidates

Launched in 2018, the Regional Dementia Care Pathway has not yet been fully implemented.

Will you pledge to fully fund this rollout in the next Assembly mandate?

According to NISRA, over a quarter of all those who died in Northern Ireland with coronavirus also had dementia.

Will you make dementia a standalone priority in the reform of adult social care?

You can help by combating stigma and be fully inclusive of all your constituents.

Will you and your Constituency Office staff complete dementia friendly training?

Send an email directly to your candidates by visiting our website
