Workstream	Lead	Composition of Workstream
		<p>ensuring the correct mix of skills and experience rather than comprehensive representation from all organisations. All representatives on T&F Groups will be expected to take a regional, rather than organisational, perspective. It is likely that T&F groups will feature representation as appropriate from:</p> <ul style="list-style-type: none"> • Clinicians/practitioners • Operational management • Patient/client representative • Epidemiologists • Commissioners • Data analysts • Policy makers • Primary care • Training bodies
