

Manifesto

2022 - 2025

LIGHTHOUSE
"A beacon of hope"

Lighthouse are inviting you to the launch of their Manifesto – a document that presents four pressing issues that we feel will help to prevent suicide and avoid the pressures on our public services, by providing support before people reach a crisis point in their lives.

In addition, we will launch the Lighthouse Strategic Plan for 2022-2025.

So come along and hear the issues and from our political Candidates, who we are inviting to pledge their support to our asks.

The event will be held at Girdwood Activity Centre on Thursday 21st April 2022 at 2pm
